Well, here we are in week 11 of a 12-week term. We have noticed a lot of sicknesses this week, including colds, headaches and sore throats. Earlier in the week, we had 80 learners away from school! Thanks for helping to keep other learners fit and healthy by keeping any children who are unwell at home.

We are definitely noticing that tiredness is hitting many of our learners. A long term, coupled with a very unsettling year has taken a toll on some. From a wellbeing perspective, we are noticing that some of our kids have more 'worries' than usual. Some of these are big worries - about COVID returning, or about family members potentially losing their jobs. It is important for children to have the opportunity to discuss things that they are worried about, and our focus on Mindfulness allows this to happen. It's important to make space in our curriculum to ensure that our kids are settled and open to new learning. We have also been focused on gratitude, as talking about and sharing the things that we are grateful for is a powerful tool for creating positive thoughts and feelings. Next term, we will be adding wellbeing updates to our newsletter, so that you can join in with whatever our focus has been at school.

Staffing Update

A big warm welcome to Miss Sarah Power, who will be starting our roll growth class at the beginning of next term. Sarah has spent the last two years teaching at another school in our cluster. We have been lucky to have had Sarah in for a few relieving days this term, and we are looking forward to her joining the team.

We also say farewell to Charlotte Orpen, who has been working with us in a part-time capacity over the last year and a half. Charlotte has been a great member of our team, who has been loved by our kids. Thanks for everything, Charlotte, it's been a pleasure!

Hero Parent Information Sessions - Please RSVP

A reminder that we are running Hero Information Sessions next week to outline how we are using this platform to report on your child's progress and achievement. The reporting function of Hero will be going 'live' on Monday 20th July which is the first day of term 3. We are so excited about this next step, which is going to strengthen our home-school partnerships and give greater visibility of your child's current learning and next steps.

Two information sessions are available, both happening on Thursday 2nd July. The first session will run from 1.30-2.30pm and the second from 6-7pm. The evening session will run in conjunction with the PJ and Pizza Party, so you'll be able to drop your kids off and then head up to the staffroom. Please make sure that you RSVP using the google doc below for the session you will be attending.

We look forward to seeing you there!

Student/Parent/Teacher Learning Conferences

Learning conferences will be happening on Tuesday 4th August (2.00-7.00pm) and Wednesday 5th August (3.15-6.00pm). Conferences are 15 mins long and can be booked from week one of next term when we send a booking link. If you can't book a time that suits your family, please get in touch with your child's teacher.

If you are able to arrange it, it would be great if children could be picked up at 1.30pm on Tuesday 4th August. As teachers will all be involved in conferences, children who remain at school will be supervised in the hall by the leadership team and learning assistants for the afternoon.

Learning conferences are a learning-focused conversation between the learner, parents and teachers. Please make sure that your child is present, as partnerships are most powerful if we all contribute to and lead conversations around learning. If you have anything specific to discuss with your child's teacher, you can do this at any time, by making an appointment.

SPORTS INFORMATION

SPORTS UPDATE

Term 3 Flippa Ball

We need to have the names and year levels of all interested players by the end of Thursday, 25 June. This is to see if we have enough children to put teams into the term 3 league. The approximate cost is \$100. Payment would need to be made very quickly if teams were to go ahead.

Please email cathysport@yahoo.com with your interest or any queries.

Winter Hockey

We need to know the names and year levels of all interested players by the end of Thursday, 25 June. This is to see if we have enough children to enter teams into the term 3 league. The approximate cost is \$115. Payment would need to be made very quickly if teams were to go ahead.

Harbour Hockey are running some training sessions during the holidays for Primary aged children.

Please email cathysport@yahoo.com if your child is interested in playing or if you'd like further information on the training sessions.

Basketball

Trainings start back this week.

Netball

Uniforms will be issued by the end of the week for those that have registered. Please check your child's size is correct and bring the uniform back on **Monday** if it requires changing.

SWiSH Netball is providing some holiday programmes to specifically develop netball shooters (technique, accuracy, mindset, GS/GA specific movements and circle work). They are running various clinics for children Year 5 and above.

Please email sue@creativetriathloncoaching.com if you would like further information.
